UMW CPSC HS Programming Contest 2021

Date of Contest
- Saturday, April 2, 2022.

Contest Schedule
- 11:00 - Zoom Meeting is open.
- 11:15 - All teams and sponsors have joined the Zoom meeting.
- 11:20 - Teams are placed into their Zoom breakout room.
- 11:30 - Practice Problem to ensure all teams can access the contest system ●
Noon-3:30 - Contest is held after practice problem.
- 3:30-4 - Final judging.
- 4-4:15 - Announce the winners.

Format - Virtual via Zoom
- Links to the Zoom meeting, the contest system, and PDF containing the contest problems will be provided.
- Each team will be placed in their own Zoom breakout room to conduct the contest. ●
Faculty, staff, etc. will be allowed into the Zoom breakout rooms to answer questions. ●
Teams access the contest system to read problem statements and submit solutions.

Maximum Teams
- UMW has an enterprise Zoom account, which has some limits that I do not know. 20 teams, sponsors, judges, professors, staff, etc. will be approximately 100 people at the contest Zoom meeting. I am confident we can handle all that register.

Prizes
- First place trophy
- Cash prizes to 1st ($150), 2nd ($100), 3rd ($80), and 4th ($70) place teams. Team members share the prize - if a 4 person team finishes second, each team member receives $25.
- UMW and the primary sponsor will arrange a date/time/place where trophy and prizes will be given to the primary sponsor, who will distribute them to the team. **Registration - Free**
- High school sponsoring teachers/administrators enter their team(s) by submitting a Google form before March 27. The Google Form has three sections. Section 1 is informational - has a brief version of this document, Section 2 collects information about your high school, sponsors, and the primary sponsor, Section 3 collects information about your teams.
- Google Form: ***REDACTED***
- Life changes. If after registering your information change, please email me at ***REDACTED***

Thank You.
